SoL is a nonprofit global membership organization whose purpose is to discover, integrate, and implement theories and practices for the interdependent development of people and their institutions. A portion of the net proceeds from SoL publishing sales are reinvested in basic research, leading-edge applied learning projects, and building a global network of learning communities.

For information on SoL's organizing principles, membership, professional development opportunities, events, and other publications—including the e-journal *Reflections*—please visit [www.solonline.org](http://www.solonline.org).
